# SEPTEMBER

National Preparedness Month

Theme: A Time to Remember, A Time to Prepare. Creating a Culture of Emergency Preparedness in Somerset County!

## Quick Tidbits:

Every emergency supply kit is unique. Your family kit should be created with your specific needs in mind.

When making a Family Emergency Plan, include a contact outside your area. It may be easier to call long distance after a local emergency.

#### Preparedness on a budget:

Fill clean, airtight containers with water, instead of buying bottled water.

Remember Your Pets! Get your pet an emergency kit and create a buddy system.

Preparedness on a budget:

Pick up canned items and other non perishable food items on sale 2 or 3 at a time.

Prepare & support your community before & after disasters by volunteering with local organizations.

kit, and stay informed!

Visit your local grocery stores/pharmacies and check out their NPM displays. For more information visit: www.co.somerset.nj.us/health

Talk to your friends, neighbors and family this month and encourage them to prepare for emergencies and disasters.

# What you should know about **Emergency Preparedness**

Prepare a **Disaster Supplies Kit** 

There are six basics you should have in your home in case of any emergency. They are water, food, a first aid kit, clothing and bedding, tools and supplies, and special items. Items you would need in case of an evacuation should be kept in an easy-to-carry container such as a large covered trash container, a backpack or a duffel bag. You also should keep a smaller version of a disaster supply kit in your car. Below are listed some of the items you may want to consider including from each of the basic categories.

#### Water

Store one gallon of water per person per day.

☐ Have a 3-day supply (replace supply every 6 months)

# **Clothing** and **Bedding**

Include at least one complete change of clothing and footwear per person.

- ☐ Sturdy shoes or work boots
- ☐ Blankets and/or sleeping bags
- ☐ Thermal underwear
