

# Hunger Never Takes A Vacation

There are many people here in Somerset County,  
including children, who go to bed hungry!

## You Can Help Curb Hunger!

Look for the **BRIGHT-ORANGE PLASTIC CURBING HUNGER BAG** tied to your blue recycling bucket.

Or, you can use a regular plastic bag and write the word **"FOOD"** on it.

From **JUNE 4 - 29**, on your recycling pick-up day, please put **CANNED FOOD** into the bag and put it **AT THE CURB**, next to your recycling bucket.

The orange bags will be collected  
**JUNE 4 - 29, 2012**

**Food Supplies Are Dangerously Low During The Summer Months**
