

North Plainfield Police
Press Release
April 3, 2018

Operation "15-45" Park and Walk Program

Chief William G. Parenti announced Operation "15-45" Park and Walk Program will resume this Wednesday. This initiative, will have Police Officers walking a beat in North Plainfield. The program is aimed at improving our visibility and accessibility and increasing public confidence in community-based policing."

Chief Parenti explained an officer shall walk fifteen minutes and ride 45 minutes per hour. The operation, will put an officer on the beat during the business hours of 4:00pm and 10:00pm each day. While on foot patrol, the officers will be expected to deal with incidents they encounter, gather intelligence, visit businesses, provide crime reduction advice, liaise with community groups and members such as Neighborhood Watch, collect and update business contact information and identify any potential problems.

We are aware that the people of North Plainfield want us to be visible and accessible. I firmly believe a conspicuous patrol operation communicates a sense of protection to our citizens and acts as a deterrent to criminal or mischievous activity.
